DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on September 27, 2006 was not considered by the examiner because the reference is the same as the reference submitted on the IDS filed on November 3, 2006.

Allowable Subject Matter

1. Claims 1-3 and 8-14 are allowed.
2. The following is an examiner's statement of reasons for allowance: regarding claim 1, the reason for the allowance is due to amending the claim to have both a first and second measurement instrument include a trigger circuit for developing a trigger signal under test. Since claims 2-3 depend from claim 1, they also have allowable subject matter.

Regarding claim 8, the reason for allowance was given in the Office Action mailed on January 18, 2006. Since claims 9-14 depend from claim 8, they also have allowable subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
